JADE

Surgically Clean Air's JADE Air Purifier (SCA5000C) is one of the World's Most Advanced Standalone Medical Grade Air Purifiers.

- * Removes dust and pollen that affects allergies
- * Kills germs and viruses that make people sick
- * Eliminates odors and VOCs that irritate people
- * Re-energizes stale indoor air to make breathing easier and leave you feeling more energized

The JADE Air Purifier is designed with premium in mind, in its beautiful contemporary styling on the outside, its sophisticated technology on the inside, and its air flow performance throughout.

EPA "68% of Human Diseases are related to Indoor Air Pollution"
